One of the stories in the book is about a woman named Sarah. Sarah was diagnosed with a rare and aggressive form of cancer. The doctors gave her

only a few months to live. But Sarah refused to give up hope. She prayed for a miracle, and she started to read the Bible every day.

Within a few weeks, Sarah's cancer started to shrink. The doctors were amazed, and they couldn't explain how it was possible. Sarah continued to pray, and her cancer eventually disappeared completely.

Sarah's story is just one of many in *Miracles That Inspire*. This book is filled with stories of people who have been healed from incurable diseases, who have survived accidents that should have killed them, and who have experienced other amazing miracles.
