Luke Skywalker is the central character in the Star Wars saga. He is a young farm boy who is destined to become a Jedi Knight and save the galaxy from the evil Galactic Empire.

Darth Vader is the primary antagonist in the Star Wars saga. He is a fallen Jedi Knight who has become a powerful Sith Lord and the right-hand man of Emperor Palpatine.

Princess Leia is a strong-willed and courageous princess who is a key member of the Rebel Alliance. She is the daughter of Anakin Skywalker and Padmé Amidala, and the twin sister of Luke Skywalker.

Han Solo is a smuggler and mercenary who becomes a key member of the Rebel Alliance. He is a skilled pilot and a loyal friend, but he is also a bit of a scoundrel.

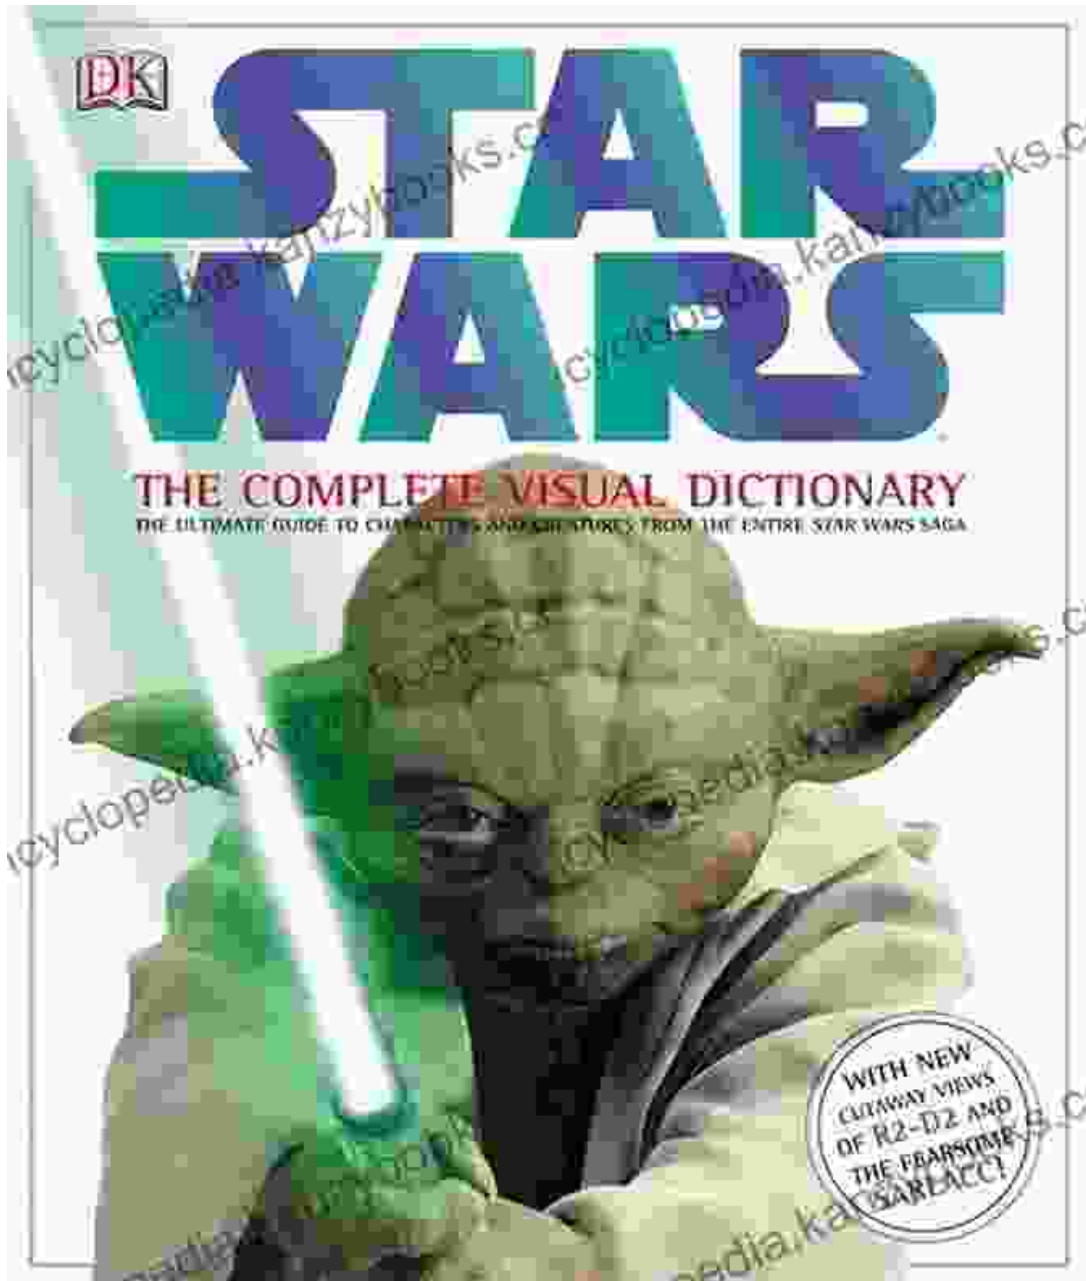

Planets

The Visual Encyclopedia also includes detailed entries on all of the major planets from the Star Wars films, television shows, and expanded universe. From Tatooine to Endor, from Hoth to Naboo, each planet is given a full-page spread with information on its geography, climate, inhabitants, and history.

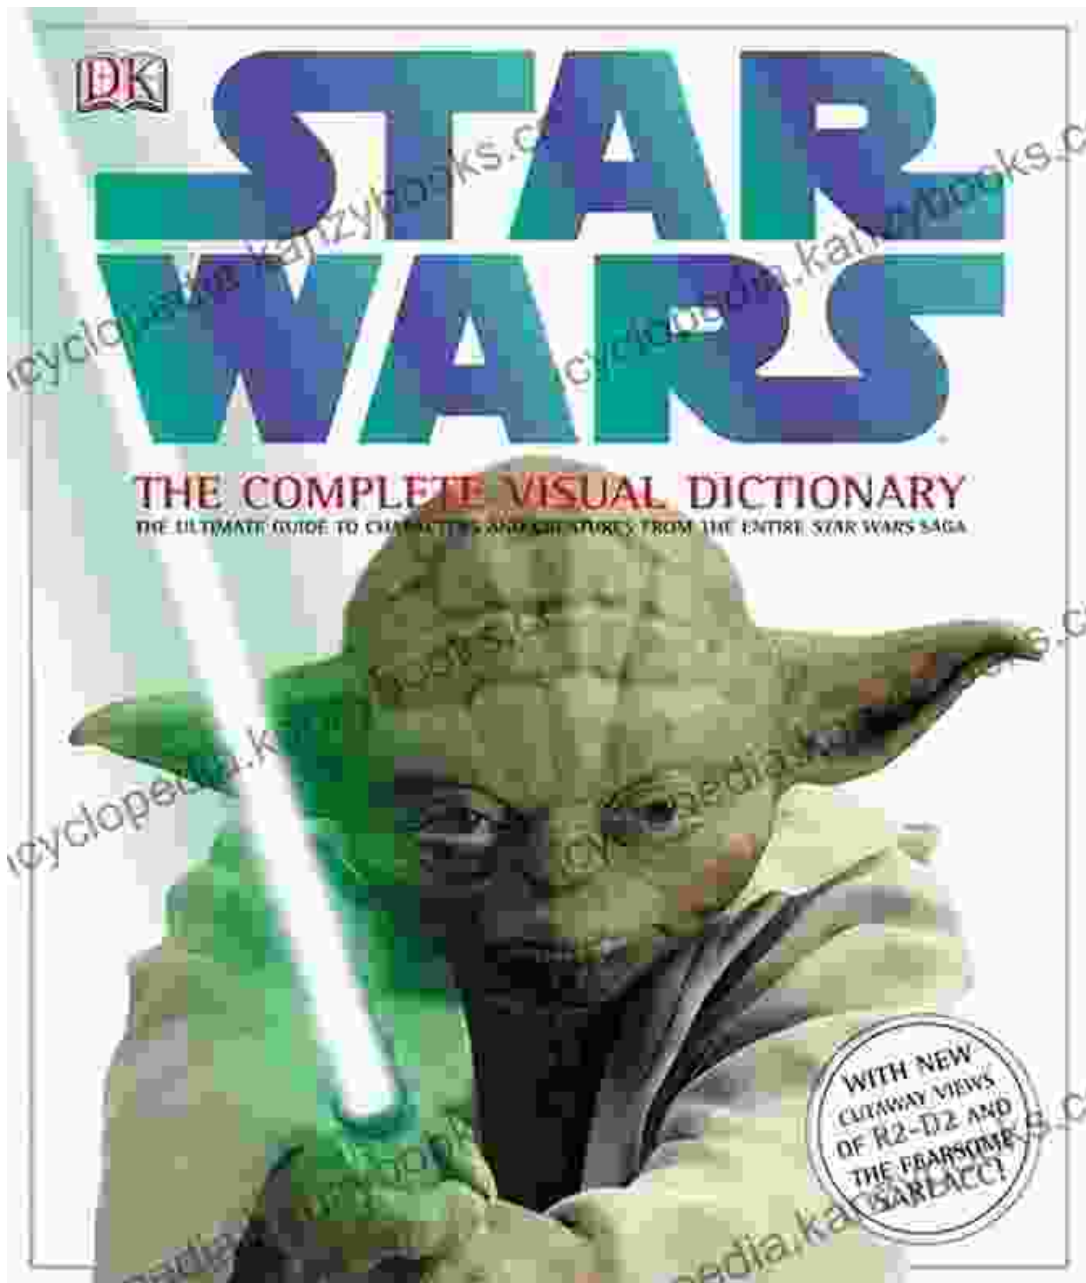

Tatooine is a desert planet located in the Outer Rim Territories. It is the homeworld of Anakin Skywalker and Luke Skywalker, and it is also the setting for many of the events in the Star Wars saga.

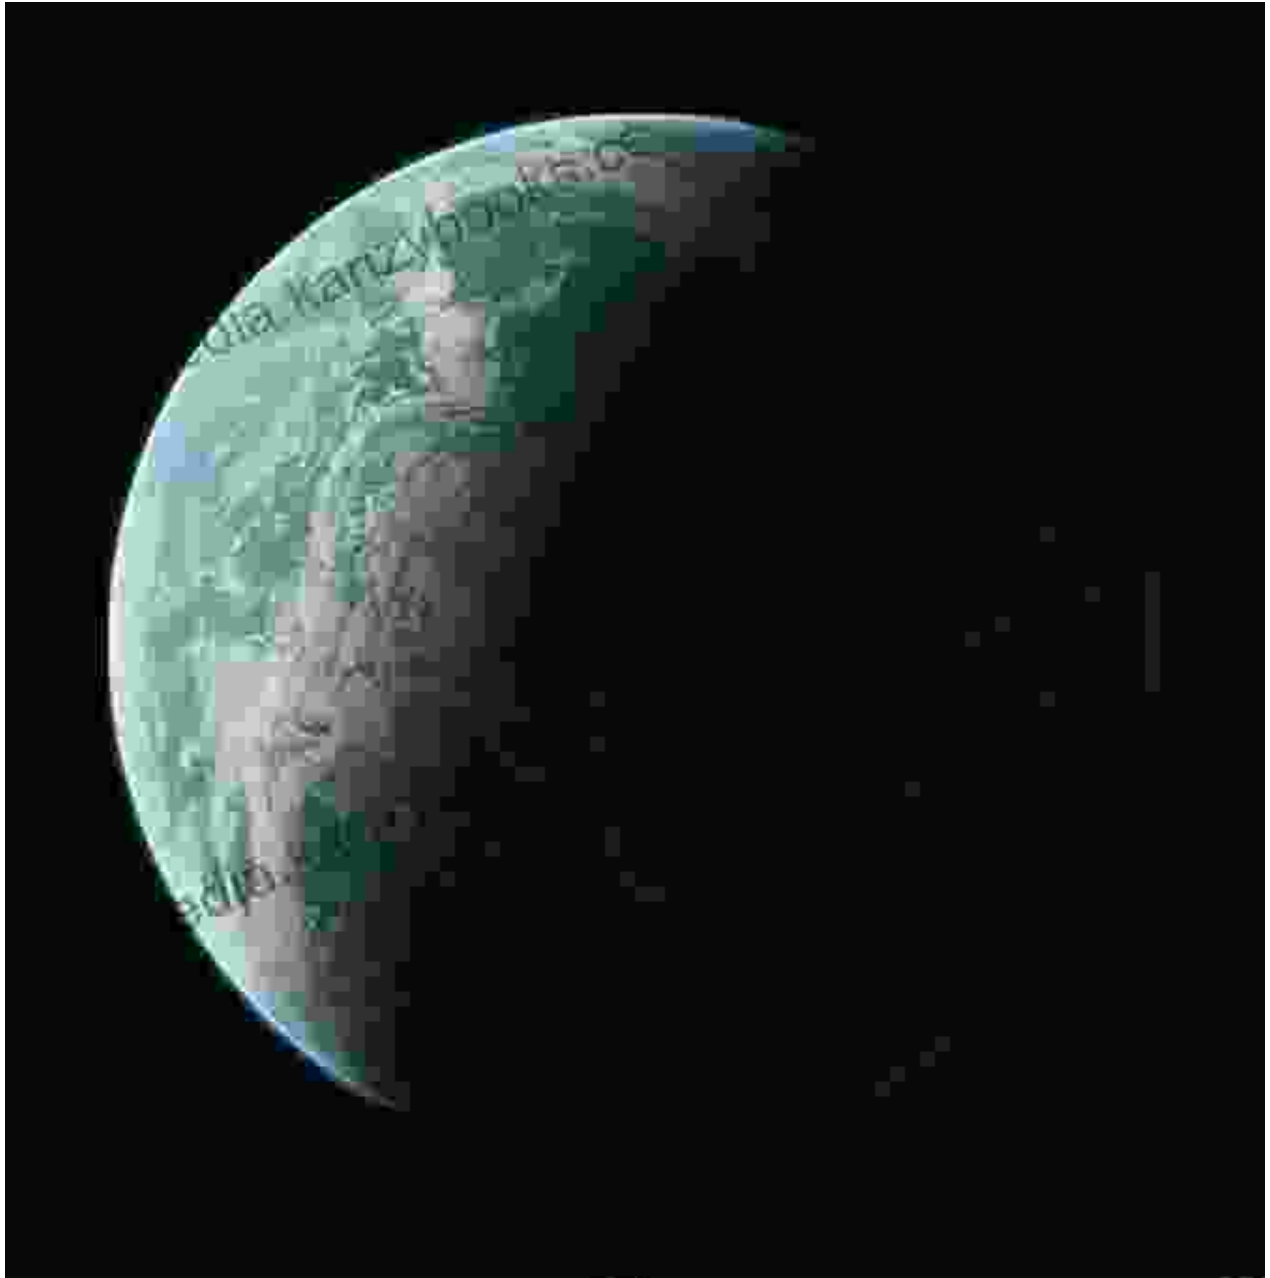

Endor is a forest moon located in the Endor system. It is the site of the Battle of Endor, which saw the defeat of the Galactic Empire and the death of Emperor Palpatine.

Hoth is an ice planet located in the Outer Rim Territories. It is the base of operations for the Rebel Alliance during the Battle of Hoth.

Naboo is a lush planet located in the Mid Rim Territories. It is the homeworld of Queen Amidala and Padmé Amidala, and it is also the setting for many of the events in the Star Wars prequels.

Vehicles

The Visual Encyclopedia also includes detailed entries on all of the major vehicles from the Star Wars films, television shows, and expanded universe. From the Millennium Falcon to the X-wing, from the TIE fighter to the AT-AT, each vehicle is given a full-page spread with information on its design, capabilities, and history.

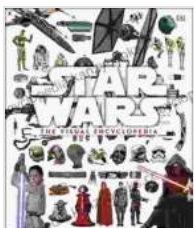

The Millennium Falcon is a modified Corellian YT-1300 light freighter that is owned and piloted by Han Solo. It is one of the fastest ships in the galaxy, and it has played a key role in many of the events in the Star Wars saga.

The X-wing is a starfighter that is used by the Rebel Alliance. It is a fast and maneuverable ship that is armed with four laser cannons and two proton torpedo launchers.

The TIE fighter is a starfighter that is used by the Galactic Empire. It is a fast and agile ship that is armed with two laser cannons.
